**ABE is offering you the opportunity of being involved in:
the most** extraordinary loyalty program on the planet
the most realistic incentive offer ever provided to consumers.

Imagine

Optus, Telstra or any other provider giving you shares in their business each month, just for using their services. Plus, giving you a guarantee those shares won't decrease in value!

They don't! We do!

You will always have a bill with Telstra and Optus.

With ABE at least you have an opportunity of recovering your cost.

By being an ABE customer and using our services, you have a vested interest in our business. Every month you earn ABE loyalty shares to help you recover your monthly services cost, to the point where your shares become a long term investment. Every dollar you spend through ABE earns you ABE Loyalty Shares. Our success is your success

By becoming an agent, you have your own business without the headaches. Simply by encouraging others to become involved in ABE's loyalty share program you earn 50% of the gross profit from every new service you obtain every month. This dividend lasts for as long as that service is with us. Every agent you gain, you earn a monthly agents fee of \$7.50, every new agent your agent obtains, you earn a sub agents fee of \$3.75 a month.

To the point where you will have no phone, internet or other household bills and from there, a long term income stream

ABE Services

Whether you're looking for a little extra money to spend on your family or yourself, or you would like a chance to build a career on your own terms, ABE can help you make it happen.

Every home business ie, Cosmetics, Tupperware, Amway, Jewellery etc, is all about communication of a product.

Finally, a party that actually relates to communications, with **better** rewards than any other product on the market. No experience necessary,

No hard sell to buy a product, **they already have the product!**

What other home party plan business gives you a vested interested in their business by using their services, as well as sharing in the profits.

How does all this happen?

As an agent, simply by getting your friends and family to move their phone, internet, mobiles, prepaid and even their home loan through ABE.

Once they move over to ABE, you earn ongoing monthly cash dividend through our profit sharing, for as long as they remain with ABE.

No follow up for further sales, only a social chat to ensure they are happy with their service. It's all about communications.

Kick back and unwind with friends while you learn smart ways to use your everyday phone, internet and mobile to save on, earn extra money as a hobby or business venture and build an investment portfolio with ABE shares.

That's the ABE experience. This unique, interactive home business is your opportunity to see, and experience the new ABE lifestyle - in the world of communications and other services.

Simple solutions to improve your life, plus what a great opportunity to exchange ideas and make new friends. Whether you're a agent or a guest there's a lot to enjoy at a ABE Home Presentation! It's party time!

ONGOING BENEFITS LIKE NO OTHER PRODUCT OR BUSINESS PROVIDES!

You can earn up to \$200 or more at each presentation you hold, and here's where ABE moves ahead of the rest, from those who you sign up from that presentation, you continue to earn monthly reoccurring cash dividends for as long as their services remain with ABE.

Host/Agent – Cash Rewards!
