

To review you're Account.

Once you have accessed your account the following will appear:

Then point & click onto Statement

Your monthly statement will then appear on the screen

From here you can:

1. Nominate the month, year and Ledger "All" this will give you all your details for that monthly, including shares.
2. Once you have nominated the month, you can then click onto "Print Invoice" if required.

To review all transaction relating to your Mobile

1. Nominate the month, year and nominated from the Ledger "Mobile"
2. When this appears you can then nominated the month you need to review. Once this page is up you can then click onto "Print Invoice" if required.
